[XRUSH] RESPONSE: You are supposed to query a "solid black box" (APPB 2005-3). This means that the box is completely black. These boxes are not completely black. Therefore, they are not solid black boxes. A box that is "partially black" is not a black box. Follow copy. Print as is.

INITIALS: dsf

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
